**PRIME Screen—Revised
PS-R**

Items

1. I think that I have felt that there are odd or unusual things going on that I can't explain.
2. I think that I might be able to predict the future.
3. I may have felt that there could possibly be something interrupting or controlling my thoughts, feelings, or actions.
4. I have had the experience of doing something differently because of my superstitions.
5. I think that I may get confused at times whether something I experience or perceive may be real or may be just part of my imagination or dreams.
6. I have thought that it might be possible that other people can read my mind, or that I can read others' minds.
7. I wonder if people may be planning to hurt me or even may be about to hurt me.
8. I believe that I have special natural or supernatural gifts beyond my talents and natural strengths.
9. I think I might feel like my mind is “playing tricks” on me.
10. I have had the experience of hearing faint or clear sounds of people or a person mumbling or talking when there is no one near me.
11. I think that I may hear my own thoughts being said out loud.
12. I have been concerned that I might be “going crazy.”
